

CORPORATE EDUCATION CIRCLE

Supporting NSSC's Professional & Community Education Programs

Annual Membership Limited to 8 Organizations

Reach more than 10,000 older adults and professionals 15-20 times a year

Join NSSC's **CORPORATE EDUCATION CIRCLE** and become one of our premier education partners. Our Professional & Community Education Programs are dedicated to helping professionals, agencies, organizations, families and community members develop increased awareness, knowledge and skills needed to better care for our older adult population and their caregivers.

Professional and Community Education Programs feature presenters from an array of organizations and attract social workers and other professionals in the aging and education fields. This sponsorship has rolling admissions so commit at your leisure and when it works for your budget. This opportunity is limited to 8 corporate partners per calendar year on a first come, first served basis.
